About MASSBUG

Marrickville-South Sydney Bicycle Group is a local bicycle user group, established in 1991, affiliated with Bicycle New South Wales. We work with Marrickville Council and state government bodies (e.g. RTA & Area Health Services) for the improvement of cycling infrastructure, urban amenity, community health and safety. We also provide information, advice and rides for members of the local community and schools.

Our vision is for a safe, healthy, vibrant community whose planning and infrastructure provide for greater share of transport by walking and cycling, in order that the personal, community & environmental benefits of more sustainable transport can be realised. We also regard public transport services as essential.
